## Story telling day

Y4 had a fantastic day with a story teller this week thanks to Berwick Literary Festival.

Abbie said *"I feel really proud of my story because I tried my hardest and the whole idea for my story came from my head. I did at least three pages of free writing. I'm going to write more stories now"*

## Willow

Our willow badly needs cutting back. If you push a willow stick in the ground it will more than likely take root so if you would like some for your garden please pop into school with your secateurs or hedge trimmer and help yourself (just come to the office and let us know first)

It is ideal for hedges, tunnels and garden dens.

## Coffee Morning

Please help us to raise money for cancer charities next week—we need raffle prizes and cakes to sell on the stall. Everyone welcome to come on Thursday 27th September at 9.00

## Northumberland STEM Day

Thursday 1st November at Linden Hall, Longhorsley NE65 8XF

Organised by Northumberland County Council, this event is aimed at young people aged 8 - 13 and is intended to give them an insight into the world of Science, Technology, Engineering and Maths (STEM). This full day event will consist of 5 workshops run by a mix of industry experts and adults, you are welcome to stay for the event!

Lunch will be provided (for adults too if you stay) and there will be lots of goodies for the children to take away. For any queries please contact the event organiser, Nathan Fuller via [nathan.fuller@northumberland.gov.uk](mailto:nathan.fuller@northumberland.gov.uk). To book places visit [www.northumberland.gov.uk/stem](http://www.northumberland.gov.uk/stem)

## Nursery places

We have a small number of both half day and full day nursery places available. If you know anyone who might be interested, please feel free to pass this information on to them.
