Circle of peace

This morning we were joined by so many people for our Remembrance Day service. It really makes it a meaningful event for the children. We've had many comments about the way the children behaved and spoke and were a credit to the school.

Thank you to everyone who came to support us, thank you to the PTA for providing the refreshments and thank you to our amazing staff and pupils for making it all happen!

School App

Now that our new website is up and running, we have an app to help us keep you informed. You'll need to download it from the app store; it's called School Jotter and you will need to choose our school from the list. Some sections aren't complete yet but please have a look and let me know what you think.
