Safety

I understand that at the start and end of the school day, everyone is in a rush and parking around school is a nightmare. However I am really concerned that a child is going to be injured or killed crossing the road because parents are parking/stopping on the yellow lines. Please consider the safety of our children and do not stop on the yellow markings.

Gallery visit

Y2 & Y3 visited the Hatton gallery in Newcastle this week and worked with art students on the "Exploding Collage" exhibition. They had an amazing time!

Uniform

Apart from children in class 1, everyone should be wearing shirt and tie now. We have a few ties for sale in the office, and shirts in the second hand uniform cupboard if you need any.

Now that the winter is upon us, some children are understandably wearing boots to come to school. When they are indoors, they need to change into other shoes; PE plimsolls are fine or they can bring shoes to change into.

On swimming days children can wear joggers and trainers but please make sure they can fasten them by themselves. Non swimmers should wear school uniform.

Thank you

The PTA raised £677 at the Christmas Fair yesterday. Thank you to everyone who came to help and to spend their money. We really appreciate the support.

This week's award winners:
