Ford Castle Residential

Class 5 have been away on a two night residential this week at Ford Castle. The residential has given the class a chance to challenge themselves in all sorts of problem solving and adventurous activities from fencing to zip wiring over a river valley.

The Class have been amazing and they have really worked well together this week encouraging and supporting each other to achieve the very best that they can. Hopefully this new found confidence will benefit them in all new things that they try and they will have created some wonderful memories that will last forever. They may even be a bit better at getting to sleep at the right time and keeping their things tidy, although there may be a little more work to do in this area!

Website Galleries

Please remember there are lots of galleries on the website with more photos for you to see. Since Christmas we have added galleries on Burn's Day, Year 3 and 4 Science, Nursery, Barnabas Day, Cross Country, Pancake Day and STEM week.

This week's award winners:

Comic Relief

Thank you for your support last Friday when we raised funds for Comic Relief. The children looked amazing and the class winners of the joke competition were very brave telling them to the whole school and parents in Friday's assembly. Well done to Annabelle who won the 'giggle contest' to become the overall winner. Overall we managed to raise £350!

Northern Ballet

Class 1 had great fun last week when we welcomed Northern Ballet to school to complete a workshop with Mrs Jeffrey's Class. The children worked with the education team from the ballet company to play the part of some of the animals that will appear in their new production of Puss in Boots.
