Artist in School

On Wednesday we welcomed in school Paul Merrick, a professional artist, who spent the day working with the staff and children of Class 3 and 4. The day was a preparation for an art week in school where Paul will be working with the children later this half term. The work is part of our Create, Aspire, Transform project and we are really excited as the children's finished pieces of art will be installed and displayed in the Gymnasium Art Gallery and our children and parents will get a chance to see their creations professionally displayed.

Parent Survey

This week I have asked parents to complete a short on-line survey as we wish to provide the best service that we can for our families. If you have not already done so please follow the link from the parent-mail to help us make our school an even better place. Alternatively the survey can be found at -

<https://www.surveymonkey.com/r/HolyTrinitySurvey2019>

Please complete the survey by Thursday 2nd May.

Writing Week

We are really looking forward to writing week next week where we will be welcoming some very exciting visitors into the school! There may be some new additions on the school field so if you see anything don't panic and in the morning please keep your children away from any arrivals as the police may be coming to investigate.

This week's award winners:

Athletics

We are welcoming Mr Hodgeson who will be back with us again next week for the summer term to teach Athletics every Monday. Children are welcome to bring trainers and their tracksuit on a Monday in addition to their in school PE Kit.

Thrive

We are very pleased to have been given Thrive accreditation this week. Thrive is a therapeutic approach to help support children with their emotional and social development. It is an approach we can now use to support children who may need it in our school.

School Uniform Reminder

The children have looked fantastic and it is great to see many of them in their summer uniforms enjoying the good weather. Summer uniforms are not compulsory until after May half term and they may be worn on swimming days instead of the school tracksuits. Even if the weather does look to be set fair, could you also please always send your child with a coat to school just in case the forecasters have not got the Berwick weather quite right!
