Create, Aspire, Transform - Art Project

We have loved having professional artist Paul Merrick in school this week. He has spent four days in school splitting his time between Class 3 and 4. The children have been engaged in bringing their ideas about Berwick under the title 'A Sense of Place' together, first working on large collaborative collages and then developing 3D sculptural pieces.

All their work has been inspired by where they live and what they observed on their artistic walk. We cannot wait to see their work professionally displayed at the Gymnasium Gallery after half-term.

Newcastle University Visit to Class 2

Class 2 really enjoyed the visit from the Graduate Ambassadors this week. They were looking at inventions from Victorian times and the children had a chance to design their own. There were some great ideas such as a time machine, a food machine, a machine that just sends you on holiday for free and a machine to throw you out of bed in the morning if you can't get up!

Diary Dates

School reopens on Monday 3rd June

Tues 4th June—Fri 14th June

Steel Pans Project

Wed 5th June

Installation of Class 3 and 4 Art work in the Gymnasium Gallery

Thur 6th June

Wed 12th June

Show in the tent—set up by 9.30 am

Thur 13th June

Steel Pans Concert 6 pm

Fri 14th June

Grandparents Day

Mon 17th June

Class 2 Trip to Bamburgh

Steel Pans

We are looking forward to the Steel Pans Project again this year, starting straight after half term. The project is a fantastic musical opportunity for our children and they grow in confidence and learn by working together to play in a group and perform to a real audience. This year we have added to the event by having musical performances from our younger classes too. The whole Marquee week is to us a wonderful event and although it is a cost to the school it is one that we feel worth it for the opportunities it provides. As always we appreciate the support our families give during the week and it is by everyone becoming actively involved and participating in all that is on offer that we are able to continue the event.

Community Steel Band

If you can spare the time please join our the community band, no prior experience needed. Practices are from 3.15-4pm Tues 4th-Thurs 13th. Childcare is provided so come and join in!
