## School Council Break-time Resources

The school council have been very pleased to share with the school some break-time resources that they have purchased this year. Each member of the council had a small budget which they have all decided to put together to buy some fun activities to use on the field. Each class has a day a week to use the resources and the Council have planned the timetable themselves. Isla said that she was pleased that they could make everyone's break-time a little more fun!

## Operation Encompass

The children of Classes 4 and 5 had a visitor this week talking about the tricky subject of domestic violence, for our children the conversation was about relationships and what healthy relationships should look like. Although it was a serious subject, the children enjoyed learning and discussing their ideas. The Operation Encompass team will be back to run further sessions with other classes in the Autumn term.

## Sports Day

Thank you for your support at our sports day this week. The children really enjoyed the day and they love to see so many people cheering them on and encouraging them all to do their best. There are more photos on the website gallery - even some of the parent races!

## Diary Dates

Monday 15th - Wednesday 17th  
Maltings Show

Thurs 18th July  
Class 5 Leavers Assembly 2 pm

Fri 19th July  
Prize Giving Assembly 9 am

## School Games—Northumberland County Finals

The Rugby team were fantastic at the Games finals and are now officially second in the whole of Northumberland (that is two years in a row). Well done to them all, they were amazing!

## Parking

We appreciate that parking can be difficult and are aware that some parents have had parking fines. We are working with the council to develop the best possible option and would request that you follow the parking rules. The area outside the school gate is zoned off for the children's safety as they enter and leave school.
