## Berwick Academy Music Festival

Well done to our performers at the Berwick Academy Music Festival. Frida played a solo violin piece entitled Hills and Dales and a group of Class 5 children sang two songs from their summer show. Both performances were excellent and our singers jointly won the First School competition picking up the age group trophy. Well done to them all!

## Camping Day

We had a great day on Monday at our annual Camping Day event - the sun even came out for us! The children loved the day, one child from Nursey was heard to say that the day was the best day of their life ever! (Which may have been due to the free ice-creams). The Fire Brigade enjoyed it too, it was the first time they had ever been allowed to soak the children, something that apparently they had always wanted to do.

## Nursery Vegetable Boxes

Nursery have had a great time sharing out the produce that they have grown. They placed all their fruit and vegetables into boxes to take home and share with their families. Thank you to those who made some extra donations so the boxes were just that little bit fuller.

## Partnership Celebration Event

Our School Council and two representatives from Class 2 represented us fantastically well at the celebration event at Holy Trinity Church where all the Berwick Schools got together to share their achievements this year. Each school shared artwork and photos of their year and listened to the educational experiences of Berwick Academy's Head Boy.
