## Do you know how to keep your child safe online?

We've all heard awful stories about the dangers children can come across online however the internet is a massive part of our lives now and we all need to know how to protect our families.

John Devlin from Northumberland County Council is running an e-safety session for parents on Tuesday 7th Nov. The session will start at 2.50 and finish at 4.20 (I know, very peculiar times!). Please come along, we guarantee you'll learn something!

We are happy to look after Holy Trinity children while parents attend.

## Bring a coat

We go outside whenever we can and the weather changes during the day so please make sure children have a coat in school every day.

## World Premier!

The film that Y3 produced with the animator recently will be ready for us to see next week. We'll try and put it on the website so everyone can see it.

## Something for half term

The PTA are organising a Scavenger Hunt, these will be on sale next week for £1.

## Uniform

The children can wear either summer or winter uniform next week then after half term we'll change to winter uniform.

## **This week's award winners:**

## Fancy a coffee?

If you don't need to rush off Tuesday 17th October, why not pop into the end room (beside the nursery door) for a coffee and nice biscuits? Little ones very welcome; there'll be some toys for them to play with. The 'café' will be open until 10.00 so nursery parents can come after the open morning. All welcome!
