## Thank you PTA!

Our nursery children have been learning how to use their new work bench; as you can see they are taking it very seriously. The bench is great for practicing fine motor skills as well as making some amazing 'creations'. Thank you PTA for buying this for us.

## Life drawing

Y3 visited Granary Gallery last week to look at an exhibition called 'Drawn from People, Life on Paper', which featured life sketches from famous artists such as David Hockney, Lucian Freud, Henry Moore, Barbara Hepworth, and LS Lowry. This was part of their Arts

Award Discover work. They followed the gallery visit with a workshop in school led by local artist Gill Walton where the children contributed to a large collage work in the style of Charles Avery, who also features in the Granary Gallery exhibition.

## Unwanted visitors

If you have any raffle tickets (sold or unsold) please return them as soon as you can.

The fair has a great range of stalls this year so please pop in and get some Christmas presents.
