Gymnastics Competition

Today three teams of gymnasts went to the Swan Centre to compete against other north Northumberland teams. This is a really challenging competition; the children go through two routines which they perform by themselves so the pressure is really on them. All three teams were amazing and came back to school with a silver and two gold medals!

STEM Week

From 1st to the 9th March we will be focusing on Science, Technology, Engineering and Maths and have some really exciting visitors lined up. If you work in any of these areas and

would like to come to school to either talk to the children about your job or even to lead an activity with them we would love to hear from you!

Cross country trials

On Monday afternoon children in Years 1, 2, 3 and 4 will be going to the middle school for cross country trials. They all need to bring trainers and outdoor PE gear (and they'll probably be muddy so don't send in their best!)

Diary Dates

Mon 5th Feb

Cross country trials

Fri 9th Feb

School closes for half term

Mon 19th Feb

School opens

Tues 22nd Feb ****NEW****
