

## Future me

Key Stage 2 children attended workshops by staff and students of Northumberland College this week to find out about some of the courses on offer and possible jobs they could do in the future (seems a long way off doesn't it?)

## Bake Off

Y4 bakers have been practicing their scone recipe for a week now to make sure they were ready for the competition this morning. They had to make a batch of fruit scones, by themselves and at the same time, answer questions from the younger children. Real multi-tasking!

The scones looked and smelled delicious.

The winners (judged by professional cooks) were: Harry and Oscar in second and third places and the Star Baker was Kaden—well done to everyone who took part, Mary would be proud of you!
