Mile a day

You will have noticed that we have installed a track to encourage children (and staff and parents) to run or walk a mile every day. As well as improving fitness research has shown that children's concentration is also improved by doing this regularly so we are planning to promote this in school. Please don't use the track until Monday as it needs to set properly but after that we'd love it if you wanted to join us by doing a few laps (10 times round = 1 mile)

Marquee week

The marquee will be coming very early on Monday morning and I'm hoping it will be up by the time you all arrive. If the workmen are still here, please make sure the children stay away from the field.

Vacancies

We are currently advertising for a cleaner and a lunchtime supervisor (one person could do both jobs) on the [North East Jobs site](#). Closing date is Monday.

Shepherd's Hut

This week we were all delighted when our Art on the Yard gallery in our shepherd's hut officially opened. As well as showcasing children's art we will be able to use as a much needed additional teaching space in school. The hut was opened by Karen Henriques from Berrydin Books who shared her good fortune with us and enabled us to buy the hut. We also thank

- The Greenses committee for their donation which was used to but things for the inside of the hut
- Mr Beveridge for sorting out the flooring
- Foldyard Gallery for their advice
- Allan Brothers for donating paint and then making us some shutters
- A team of parents who helped Mr Hindmarsh to paint several coats inside and out which took ages because of the weather

There will be lots of photos of the opening on our website soon.

No swimming next week!
