Our new School Vision

Following our consultation with all of our stakeholders we are now ready to launch our new school vision for Holy Trinity. The vision aims to capture what is already so good about our school and provide a focus for us to move forward into the future. Our school vision is—

Working together with kind hearts to inspire inquisitive thinkers who love learning and actively seek to challenge themselves.

We summarise our school vision into our motto -

'inquisitive thinkers, challenge seekers, kind hearts'

Inquisitive thinkers relates to our desire to teach more than just the National Curriculum and to inspire our learners by planning exciting curricular opportunities, engaging all in thinking about the world around us and how we can investigate it and learn about it, seeking to find out more. **Challenge seekers** comes from our belief and determination to enable all of our children to have an opportunity to face challenge, at an appropriate level, and to feel that new opportunities are exciting and not something to be frightened of. The last part of our vision, **kind hearts** teaches us how we should behave towards one another and how we wish to treat everyone in our community with care and understanding.

As a Church school our vision is also rooted in the Bible, from Colossians 2:2 -

'....be encouraged in heart and unite in love, so that they may have the full riches of complete understanding....'

Over the next few weeks we will be introducing the children to the vision and producing art work and displays around school and it will form the basis of a lot of the decisions we make. If you would like to know more there is more information on the website. We believe that the vision does bring together what is special about our school. We would love to hear your thoughts and as ever please let us know what you think.

Aldi - Kit for Schools Promotion

We are now collecting stickers from Aldi. From 6th September, Aldi's Kit for Schools promotion is giving 20 primary schools the chance to win £20,000 to kick-start a health legacy for their school. What's more, every school who enters by completing their Aldi's Kit for Schools poster will also receive an exclusive school sports kit!

The School Yard

Thank you for your patience whilst we have been getting new markings on the yard. We hope you agree they make a big difference and the children can't wait to use them! We have been able to add the markings thanks to a very kind donation and although our benefactor does not want to be named we would still like to express our gratitude.

Parking

Unfortunately a small number of people have had parking tickets since we have been back to school. Whilst we appreciate that parking can be an issue we always advise that you ensure that you are parked correctly according to the current restrictions.

Tour of Britain Cycling

Stage 3 of the Tour of Britain started in Berwick on Monday. We had a great time and the town had made a fantastic effort for the event. We ended up being mascots for four of the teams and leading the ride out at the start of the race.

Thank you to those who supported us on the day. There are lots more photos on the website galleries page.

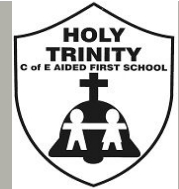

Grapes

Please remember to cut grapes in half in children's pack lunch as they are choking hazard.
