Big Soup Share

Nursery have been making lovely soup this week as part of the RHS Big Soup Share 2019. The idea is to harvest our home grown produce and share it with others. It also has encouraged healthy eating and has been excellent in getting Nursery talking about food, trying new things and helping to make the soup to share. Following our work last year our school has even been quoted a few times in the official launch pack for this year to encourage others to take part.

School Council Elections

Last year's school councillors helped to lead assembly and talk about how they helped the school. Elections for our new council will take place after half term, so any new candidates need to start thinking about how they will appeal to their voters.

Berwick Literacy Festival

This year's Literacy Festival is running from the 17th to the 20th October and includes more than thirty talks and events that showcase acclaimed novelists, historians, poets, biographers, journalists and story tellers. For more information, please browse the programme of events at www.berwickliteraryfestival.com

Swimming

Next week there will be no swimming as Eyemouth Swimming Pool is closed for the Scottish Half-term holiday.

Flu Immunisations

On Wednesday all pupils who have given consent will receive their flu immunisation at school. Due to a previous cancellation and NHS restrictions they have been unable to offer us another day for the immunisation and unfortunately it does fall on the same day as the Class 5 visit to Holy Island. The plan is for the class to receive their immunisations as soon as they return to school in the afternoon. They do not take long, but please bear with us if the children are slightly late.

Harvest

Thank you all so much for your Harvest donations, we have taken them to the church to join the collection there and they will be handed over to Berwick Food Bank in due course.
