Class 5 Residential to Robinwood

Class 5 have had a fantastic three days on their residential to Barhaugh Hall near Alston on the Northumberland/Cumbria border. The weather was excellent and the children have all had the experience of challenging adventurous activities and have thoroughly enjoyed their stay.

Cross Country Trials

Well done to our children from Class 2 to 5 who all worked hard in the cross country trials at Berwick Middle this week. They certainly rose to the challenge!

Children's Mental Health Week

This week has been Children's Mental Health Week and this year the theme is 'building resilience' and teaching children to 'bounce forward' from life's challenges. The week aims to show that while we cannot always change children's circumstances, we can teach

them the skills to cope with the difficulties life throws at them. As part of the week Class 5 led workshops in all the classes on mindfulness and meditating.

Share the Miracle

We are a registered station for [sharethemiracle...](http://sharethemiracle.com) and we are currently collecting Easter Eggs to give to the vulnerable in our community. Donations are gratefully received and can be handed to class teachers or the school office.
