## Pancake Day

We had a great time celebrating Pancake Day with our annual competition. This year we had four competitors Mrs Deakin, Mrs Wilson, Mrs Crane and Mrs Peck who were all ably assisted by children from Class 5. The teams made their pancakes and toppings in front of the school who interviewed them and asked them questions throughout the event. Our judging panel had the difficult task of deciding the winner and this year the award went

to Mrs Peck for her fantastic creation!

## Rugby Coaching

It was good to welcome back Mr Hall this week who is leading rugby sessions with Class 4 and 5. We are also offering a lunchtime club for any Class 4s and an after school club for any Class 5s who would like to take part. Hopefully the weather will improve and we will even be able to get outside.

## Share the Miracle

We are a registered station for [sharethemiracle...](https://www.sharethemiracle.com) and we are currently collecting Easter Eggs to give to the vulnerable in our community. Donations are gratefully received and can be handed to class teachers or the school office.
