STEM Week

Our third annual Science, Technology, Engineering and Maths (STEM) Week has been another great success, although unfortunately due to the Coronavirus we have not had quite as many visitors to school as planned. We have however had visits from Newcastle University, the Northumberland Education Computing Team and the Swan Centre. Class teachers have also led extra STEM themed lessons in class and on Wednesday we enjoyed our whole school bridge building contest. Thank you to Mrs Peck for organising and we can't wait to see what is planned for next year.

STEM

Gymnastics Success

Congratulations goes to our Gymnastics team who won the area competition on Thursday, competing against schools from Berwick and Alnwick. The team have been practising every day and their hard work has paid off - we are very proud of them all! They now go on to represent the North of Northumberland in the County Finals in June.

This week's award winners:

Class 1

Max for designing and making a boat that didn't sink!

Class 2

Jessie for working so hard to improve her writing.

Class 3

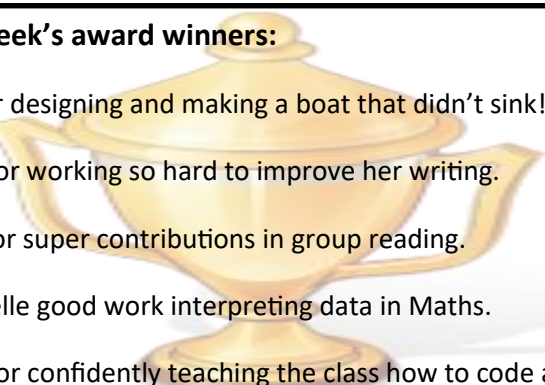

Callie for super contributions in group reading.

Class 4

Annabelle good work interpreting data in Maths.

Class 5

Ethan for confidently teaching the class how to code a robot.

Sing Up

Classes 1 to 5 enjoyed taking part in the National Sing Up Day this year which uses singing to promote health and well-being. This year's song was called, 'Power in the Music.'

Share the Miracle

Thank you to those who have donated Easter Eggs, could we please ask that any other donations are in school by Wednesday 25th March.
