We Have Made It!

Thank you so much for your support over the half-term. The staff at school have been amazed by the quality and quantity of work and have been kept very busy supporting children in school and responding to all the learning that they have been receiving. Hopefully after half term there will be just a further two weeks until we can begin to re-open more fully, although we will, as ever, need to wait on government announcements before we know for sure. I hope you have a relaxing break, I am sure for some parents they now know how teachers feel at the end of a half term! Stay safe and take care of one another.

Home Learning Snapshot

Lots of fun in the snow! Look at all the wonderful snowmen!

Fun in the Snow

This week the children have loved the rain being replaced with snow!

Keeping Active Over Half-Term

On Seesaw there is a new walking challenge from Tweed Cross Fit to keep you active over the half-term. It has been great to see how many of you have been taking part. Our PTA have also created a Scavenger Hunt where you can also get active looking for the first signs of spring, which are hopefully out there somewhere! Perhaps you will be able to combine the two.

Family Support

We hope that you continue to be in a good routine with your learning, be it at home, school or a mixture of both and that you are receiving all the help that you need. If you need any assistance or we could help you in any way, please let us know and we will ensure that we respond to every request.
