# Class 4 and 5 Art Project - CHANGE

Class 4 and 5 are enjoying being involved in a new art project which has been facilitated by Choices4Growth after a successful bid for lottery funding. The focus is change and the project aims to work with three schools in Berwick over eight weeks using a variety of materials. The aim is to then display the art completed by all the schools showing the community coming together.

This week the photos are from Class 4 and their first task was to think about what life was like before and during the lockdowns.

### This week's award winners:

#### Class 1

Sports Award - Blair for being a good team member in relay races. Class Award - Caleb for super sounding out in his reading.

#### Class 2

Sports Award - Katie for excellent demonstrations in PE.

Class Award - Gracie for creating a beautiful Turner inspired piece of artwork.

#### Class 3

Sports Award - Olly for super controlled jumping in and out of the hoop in athletics.

Class Award - Amelia for showing her kind heart in so many ways.

<u>Class 4</u>

Sports Awa<mark>rd - Lucie for amazing hula-h</mark>oop ski<mark>lls</mark> in PE.

Class Award - Jake for great problem solving skills in our practical fractions lesson in the school hall.

#### Class 5

Sports Award - Olivia for encouraging others in her team. Class Award - Martha for excellent contributions to class discussions and enthusiasm during our topic lessons.

**Head Teacher's Award - Lacey for having such a super attitude to all of her work in school.** 

#### **Diary Dates**

#### **Every Monday this Half-Term**

Athletics with Mr Hodgson for all classes. Please bring outdoor PE Kit.

Tennis club after school for Class 5 until 4pm.

# Wednesday 19 May

Curates from Holy Trinity Parish Church visiting Class 4 and Class 5.

# Friday 28th May

Half term holiday starts.

# Covid-19 Updated Guidance

I just wanted to update you

following announcements this week about the relaxing of restrictions. I had hoped it may lead to bigger changes around the school, but unfortunately we are still being asked to maintain our risk assessments and still comply with the public health 'system of controls' including hygiene, enhanced cleaning, minimising contact, consistent groups ('bubbles'), maintaining social distancing and keeping occupied spaces well ventilated. We thank you for your patience and continued support.

#### Walk to School Week

Next week we are promoting Walk to School Week. The nationwide event designed to help pupils experience first-hand the importance of walking to school. Children will be well on their way to reaching their recommended 60 minutes minimum of physical activity per day before even reaching the school gates! Not only will it set them up for a positive day in the classroom, but it will also help create healthy habits for life. We would ask, if possible, to make arrangements so that your child/children can travel actively to school next week. For us it would also be a great help in parking problems and reducing congestion and pollution around the school gates.

## School Uniform Reminder

Hopefully the weather has finally warmed up! Please remember that after half-term all the children should be wearing our summer uniform.
