School Games Gymnastics - Virtual Competition

The Gymnastic team have been practicing hard and have entered the Northumberland School Games. They performed their routines in school and they have now been sent to be judged for this year's competition. We are the current area champions, so the team have high hopes of doing well again this year. We will let you know when we find out more - fingers crossed! Lots of more photos are available (galleries page website).

Art Project - CHANGE

Class 5 enjoyed working with the Choices4Growth artists as the project was started with their class. They were working on mark making and creating their own mark markers so they can make their own designs.

This week's award winners:

Fighting Food Waste

Northern Soul Kitchen is a fantastic local non-profit team, intercepting food waste from our supermarkets and making it available to consumers on a pay-as-you-feel basis. You can support them in reducing food waste in our town by visiting their cafe on West Street for takeaway meals and cakes, or visit their workshop on Saturdays to pick up perfectly edible unsold food for a donation. Follow them on social media platforms and have a think about any food you throw away - could you make it a family challenge to throw away no food this week?

Parking Around School

Please follow the restrictions when parking near school. There has recently been a number of complaints from our neighbours and the police have asked us to warn you that they may need to ticket cars - something they would rather not do!

Picture News

The topic next week - Is there a place for sensory toys in the classroom?
