Class 4 Summer Trip

Class 4 enjoyed their Summer trip this week. They had a day being tourists in Berwick - going on a boat ride up the river, visiting the tourist information office, having a chip shop lunch and a play in the park with ice cream in the afternoon. With the weather on the day the class certainly received the full Berwick

holiday experience, however regardless of the rain they all had a great time and had smiles on their faces throughout. The only change to the plan was ice cream at school instead of the park. The Class would like to thank all those who helped them feel so special and welcome wherever they went.

Encouraging Nature at Holy Trinity

Our bug hotel has finally been named - thank you for your suggestions. We have also planted insect friendly plants and are letting the area on the outside of the mile track grow wild to do our little bit to help nature.

Shepherd's Hut Art Exhibition

As you know Class 4 and 5 have been working with Choices4Growth on an art project with the theme of CHANGE. During the project the children have been given the opportunity to express themselves in whatever form they felt fitted the moment. They have explored the theme of CHANGE in a variety of ways, such as in the world, ourselves, materials and nature. The children's work will be displayed in our

Shepherd's Hut Gallery on Tuesday and Wednesday next week for families to view and will then be moved to a Berwick shop window for the remainder of the summer holiday. Gates will be left open until 10.15am for those who would like to view the exhibition and please respect social distancing at all times.

**Please remember
that we are a
Nut Free School!**
