## Class 5 Summer Show - Wow! What a Year!

Class 5 have been fantastic this week putting on their summer show and thank you for all of your lovely comments. We are sorry it could not be the same event it usually is, but were so pleased to be able to do something. As ever, all of the children should be commended, it has been brilliant to see the growth in their confidence as it has progressed and we are so proud to show case all that they can achieve.

We were also able to have a leavers service with our families after each show and had the chance to say a proper goodbye to Class 5 and wish them luck in the next stage of their lives.

They have been a pleasure to work with and we have enjoyed watching them develop into the amazing young people that they are today. We know that they will go on to be excellent ambassadors for our school. We also say goodbye to many of the families in the Class and we would like to thank them all for their support over the years.

## Wee done Class 3!

Class 3 have been working hard finishing off their Young Leaders Award by supporting the Berwick Foodbank. This week the children completed a 50 lap sponsored walk around our school mile track. A special mention goes to Malachi who raised £100 on his own!

## Prize Winners

Well done to all of our prize winners in every class this week we are very proud of your achievements. However, please remember that all of our children are winners to us. A special mention goes to Thibaut, Isabella, Aiden, Amber, Isla and Paris who are our major prize winners this year. They have been a pleasure to have in school and we are delighted to reward them for their achievements

## Diary Dates

**School reopens Monday 6 September for two teacher training days.**

**School reopens to children on Wednesday 8 September.**

## Class 3 Summer Trip

Class 3 had a wonderful day courtesy of Brian O'Brien from Berwick Holiday Park. They found an exciting variety of sea-creatures during their rock pooling and had fun on the beach building amazing sand sculptures. After their picnic lunch they spent the afternoon hunting for bugs and enjoying nature on a senses scavenger hunt. The visit ended perfectly with smores around a (very small) campfire. Huge thank you to everyone who gave up their time to make the visit possible.

## Class 1 Summer Trip

Class 1 really enjoyed their sunny trip day to Alnwick Gardens, apart from the ducks trying to eat all their sandwiches!

## End of Year Message - Have a Lovely Holiday

On behalf of all the staff, I would like to wish you all a happy and restful summer. I hope the sun shines and you all enjoy quality family time before we look forward to welcoming you all back in September.

Thank you so much for your continued support this year. At points it has not been easy, but we have managed to get through things together. I will write to you in September to update you on the arrangements for starting back. At the moment I am hopeful that government advice may allow us to get back to a little more normality.

All the staff would also like to thank you for your end of the school year gifts, they are not necessary, but are certainly very much appreciated.
