Welcome Back

All of us at Holy Trinity would like to wish you a warm welcome back to school. We hope that you have had a good summer and it has been fantastic to see everyone this week. We would like to particularly welcome the many new families who have joined us and our new Nursery families whose children have started our school for the very first time this week. Please make sure that you contact us if there is anything that we can do to help with any questions or concerns that you have. As we say to the children we can only help them if we know.

Swimming

Swimming starts again next week and our sessions have now moved to The Swan Centre, which has helped to keep the costs down, will mean less travelling time and give the children additional learning time in the afternoon.

Please send your swimming money in a named envelope or purse with your child on a Monday morning, it is a great help to us and makes the job of the office staff much easier. Please also look out for a parent mail which explains arrangements and what each child needs.

Sparklers Club

Sparklers the Sunday morning fun group for 3-10 year olds is starting again this coming Sunday at 10am, Holy Trinity Church. It happens on the second Sunday of every month and for this month only they are not starting in the church but in the hall. They will, as usual, finish in the church. All children welcome to join in and adults are welcome too.

Contact Details

If your child's address, medical or emergency contact details have changed over the summer please let the school office know as soon as possible. We need to have at least two contacts who are able to come into school if needed.

Diary Dates

Unfortunately due to current situation our diary is still a little less full than usual, things are definitely changing though!

Monday's this Half-Term

Football and ball skills with Mr Graham

Tuesday's this Half-Term

Afternoon swimming sessions start at The Swan Centre for Class 2 and 3.

Thursday's this Half-Term

Afternoon swimming sessions start at The Swan Centre for Class 4 and 5.

Tuesday 19 October

Flu Immunisations

Covid-19 Updated Guidance

I just wanted to update you on the latest guidance for schools. Now children under the age of 18 and adults who are double vaccinated no longer need to self-isolate if they are identified as a close contact. Contacts from school will be traced by NHS track and trace and no longer by the school itself. We will of course still work with public health and if there are a significant number of cases we may need to temporarily introduce some of our previous measures. As a general overview we will still focus in school on a proportionate system of controls, including hygiene, enhanced cleaning, minimising contact, consistent groups, maintaining some elements of social distancing and keeping occupied spaces well ventilated. We have therefore kept some of our measures in place, but would hope to reduce more of them as soon as we can depending on local infection rates. We thank you for your patience and continued support.

Please remember that we are a Nut Free School!
