## Keeping Fit at Holy Trinity - Active 30:30

It has been great to welcome Mr Graham back to school on Mondays and the children from Class 1 to Class 5 are enjoying the opportunity to get outside, keep fit and develop their football and ball skills. PE and swimming are not the only fitness elements

to our days at school and all the classes take opportunities through our day to use the mile-track and have activity breaks. Active 30:30 works on the principle that we provide at least 30 minutes of physical activity every day on top of normal PE lessons and that our families provide another 30 minutes each day at home. Please continue to get up and get active - it has a massive impact on your children's health and development! Thank you!

## Morrisons It's Good to Grow Vouchers

We have registered the school with the Morrisons It's Good to Grow Scheme which is a way for schools to buy gardening equipment. If you shop at Morrisons, please use the My Morrisons App to select our school, collect vouchers and then donate them to us. The school is registered as Holy Trinity CE First School.

### Harvest Festival Foodbank Collection

As part of our Harvest celebrations we are working with Holy Trinity Church collecting to support Berwick Foodbank. The foodbank would appreciate the usual donations of in-date, non-perishable food, such as tinned vegetables, tinned meat and fish, rice and cereal. The foodbank is particularly short of UHT milk and they do not currently need pasta or baked beans. Thank you for any support that you can give.
