## Big Ones and Little Ones

It was lovely to introduce Class 5 to Class 1 again and start our tradition of Big One and Little Ones. The children loved meeting each other and had a great chat, introducing themselves and finding out about each others favourite things.

## Harvest Festival

We were so pleased to be back to Holy Trinity Church this year for our Harvest Festival. All the children were brilliant and those from Class 3, 4 and 5 who performed reading did fantastically well. Thank you so much for your food donations, we were overwhelmed by your generosity. We hope that next year we will be in a position to invite our whole community to join us.

## Challenge Seekers

We were delighted to welcome the Chief Executive from Northumberland County Council Glen Sanderson and Councillors Guy Renner Thompson and Catherine Seymour to our school. They came to work with Class 5 and our mini-police giving our children the chance to be the first in the whole of the Northumbria Force to use the problem solving equipment that has been donated by the Council. The children loved the experience and really came together to solve the problems they faced.
