## Early Years

If you follow our Facebook page you will know that Early Years have been very busy moving topsoil, that was delivered to our front yard round to the back yard, to fill one of their new planters and improve our outdoor environment. The job has been a big one, but is now finally finished. Well done everybody for all your hard work and a special thank you goes to Mr Flannigan who donated the topsoil to school. Many thanks!

## Frightfully Fun Day

Thank you for your support with our frightfully fun day. The children all looked amazing and had a great end to the half-term.
