COP26

All of our classes have been following the COP26 discussions in Glasgow and have been thinking about how they, our school and world leaders could act to combat global warming.

Class 4 have particularly had lots of ideas. At school Billy thinks we should turn the heating down, Freya would like us to have more solar panels and Betsy believes we should all try to eat less meat. Marlowe thinks that world leaders should build more hydro-electric power stations. Malachi believes we should build more windmills and Sadie wants countries to stop cutting down trees. Marcie would like us all to fix things that are broken and Maddox thinks we should try to walk and cycle more. Our children care passionately and have some fantastic ideas. What will you do at home? Please let Class 4 know.

The PTA Autumn Art Completion

Teachers were overwhelmed by the quality of art that came into school last week, following the PTA's half term competition. Well done to all entires and congratulations to our winners.

Nursery - Bobbi and Ethan.

Class 1 - Carrie and Emily.

Class 2 - Blair, Chloe and Thomas.

Class 3 - Harrison and Noah.

Class 4 - Marcie and Katy Grace .

Class 5 - Joseph and Elijah.

This week's award winners:

Class 1

Sports Award - Antonia for making some excellent statues and balances.

Class Award - Jude for an excellent explanation of how to care for our environment.

Class 2

Sports Award - Ruby for great moves in Zumba.
