Circle of Peace

It was a pleasure to welcome our full school community back to school this year to our Circle of

Peace. We were so pleased that so many of you could find the time to commemorate with us. It really does make the event much more powerful for our children and focusses attention on how important the event is for us each year.

Times Tables Success

Class 5 made us all so proud by coming second place in a national competition for times tables. The annual competition is run by Times Tables Rock Stars and was called England Rocks. It ran all week from the 8th-11th November and our class competed against schools from all over England. As the competition was for primary schools our children did particularly well as they were competing against children who were two years older than them. Well done!

Don't worry though we do still have some exciting things planned to make Christmas a special time for our children.
