Children in Need

Thank you for your support last week, the children looked amazing. It was brilliant to have BBC Radio

Newcastle at the school and they thought our children were fantastic.

Altogether we managed to raise £317. Thank you!

Class 3 are Mixed Up!

Class 3 have loved starting a new art project called Mixed Up. Mixed Up is a vibrant, interactive playground experience exploring a mix of emotions and feelings through painting, music, and dance. At the core of Mixed Up is a short film which shows a creative expression of hip-hop dance and street art, filmed outside in Edinburgh.

We have all been through a turbulent time. Emotions are mixed up and it's hard to express how we feel. Mixed Up gives Class 3 the opportunity to explore and express big feelings in a real and physical way. So far it has been a big hit!
