## British Ecological Society Visit

This term Class 4's work with the British Ecological Society has continued and the focus has been on invertebrates and how to attract pollinators. All children took a plant home to attract pollinators to their gardens and the class enjoyed completing

a bug hunt where they found over five species of spider and lots of other creatures in our new wildlife area. The children have been impressed with how well our new area is attracting greater wildlife to school.

## Cricket Festival

Class 5 enjoyed the chance of meeting other Year 4 children at Berwick Middle School this week when they took part in the annual cricket festival.

It is always a lovely transition event and the class get to spend time at the school, have fun and meet other children. Thank you to BMS for hosting.

## This week's award winners:

### Class 1

Sports Award - Sophia for really trying hard during our sports day practice.

Class Award - Margot for fantastic progress in reading and writing.

### Class 2

Sports Award - Layla for super running and throwing in athletics.

## Berwick Schools Consultation

Just a reminder to our whole community that the consultation on two or three-tier is currently open and we are actively seeking your views. If you are passionate about either system, perhaps wishing for your child to continue to have Middle School education or preferring your child to go straight to secondary education after they finish a primary school, please let the council know your views. The consultation can be found at <https://haveyoursay.northumberland.gov.uk/education-skills/berwick-partnership-your-views-on-school-organisat/> A public drop-in event is also being held on Saturday 16 July, 10.00 a.m. to 3.00pm at Berwick Community Trust, The William Elder Building, Castlegate. All interested parties are welcome to drop-in at any time.

## Picture News

This week's question - How important are appearances?
