## **Police Horses Visit**

Class 5 and our Mini-Police welcomed the Northumbria Police Horses Unit to our school this week. The children learned all about the important role that the horse unit has and where and when they can be deployed into action. All the other classes loved the chance to visit the horses and ask questions of the officers in attendance.

## **Holy Trinity's Maths Day**

Each class loved the chance to focus on the joy of maths this week in our very own Maths Day at school. The children focussed on the joy of numbers and came up with their own true or false problem for a display to remember the day.
