## **Stormbreak**

Class 3 have been enjoying the weather this week and completing their Stormbreaks al fresco. Stormbreak helps develop positive mental health and well-being. Ask them all about it!

## **School Lunches**

Thank you for your patience with our school meals and we are pleased to announce that the full menu will be back in operation at the start of May. You can now order lunches right up until the summer and it would be a great help to staff if families did order their children's lunches at home.

## **Walk to School Week**

Walk to School week is fast approaching on the 15-19 May. We thought you would like to know so that, if possible, you can plan ahead to either walk to school or park a little further away and walk in from there. It may be a routine that you enjoy and would help with parking and congestion around the school.

## **Uniform at Holy Trinity**

Just a reminder that children are now able to wear the optional summer uniform. The optional summer uniform consists of a light blue polo shirt instead of blue shirt and tie or a blue and white checked summer dress to be worn with white socks. Shorts are an option that can be worn all year. We would ask that the children do not mix and match uniform and should be either in the summer uniform or the usual one. Many thanks for your support.

## **Attendance**

Please help us with your child's attendance - excellent attendance promotes excellent learning. We believe attendance is a shared responsibility and we work closely with our families to resolve any difficulties and enable our children to reach their full potential. If your child is unwell and you are unsure whether to send them to school, contact the office to seek advice on 01289 306142. Other ways you can help is to avoid taking any holidays during term times, keep up to date with what % attendance your child has so that you know if they are at risk of persistent absence (office staff will provide this for you) and speak to school staff with any concerns. Please take the time to speak to your child about the importance of them being in school and let them know how important you feel it is.

## **Diary Dates**

## **Picture News**

The question this week -

Can you prepare for emergency situations?
