## Happy Easter

Thank you for joining us at our Easter Service this week. It was brilliant to be able to celebrate Easter together and everyone at Holy Trinity would like to wish you all a wonderful Easter break. At the Service we said goodbye to Reverend Tom and would

like to thank him for all he has done for our school and wish him good luck in his new post.

## Class 4 Art Project

Class 4 enjoyed their last session of the art project. Liz and Justine artists from Allanbank Arts helped the children to build bridges and discuss the skills that

they have learned from completing the project. After the holiday they will be back to set up an exhibition of the children's collaborative work in school.

## Uniform

Just a reminder that after Easter children are allowed to wear our optional summer uniform. This consists of a light blue polo shirt instead of the shirt and tie or a blue and white checked summer dress to be worn with white socks. Shorts are an option which can be worn all year. Please do not mix and match uniform and children should either be in the usual uniform or the summer option. Many thanks.

## EaRL Robots

Our classes have enjoyed using EaRL robots. The robots can be programmed to follow simple movement instructions and the children need to plan and then program a route through a variety of different obstacle routes.

## Competition Winner

Well done to Arla who was the winner of the Royal Tweed Commission's competition to draw a trout following our trout in the Classroom project. Arla was awarded her prize by Ben who worked with the class on the project and our local Councillor Catherine Seymour.

Please remember that we are a Nut Free School
