Fishing for Rainbows

Class 3 and 5 were given the opportunity to go to Berwick Library to meet author Oliver Sykes. Oliver is a multi-award-winning break out star, who has taken his one man show Fishing for Rainbows out on tour.

Antonia thought it was the best

time of her life because she loved the show and books. Luna was amazed that the girl caught two fish at the same time and Henry would now like to write poetry, books and do some rapping.

We really do believe that

reading is the most important thing for our children and kindly ask that all families support by reading every day with their children. It honestly does make a massive difference!

Bikeability

Class 5 all took part in Level 1 Bikeability this week helping them to develop cycling skills in a traffic free environment learning how to be safe and responsible when cycling.
