## **School Update**

We are sorry that we have been unable to hold Celebration Worship so far this term. This is due to some building investigation work going on in the hall as part of the preparations for us becoming a primary school. We hope to be back to normal soon, although there will be further adaptations and changes to our site to come.

We would also like to inform you that sadly Mrs Peck has decided the time is right for her to retire at the end of the year. She has been a magnificent servant of the school and we will all wish her luck and a well deserved rest.
